All,

Here is an alternative method request approval for Marathon. It was sent to me in error. I copied the contacts at OAQPS.

Thanks,
Shannon

Hi Shannon

Thanks for your reply to Kimberly.

We intended the alternative approval for Marathon's request related to 40 CFR Part 63 Subpart CC to go to both air permitting and enforcement in Region 6.

Thanks for your help getting this information to the correct folks.

Please cc me on your email forwarding to the right folks in Region 6 so I can update my contact list.

Ray

Kimberly,

I am no longer in the air program at Region 6. Were you intending to send this to air permitting or air enforcement, or both? - I can forward to the appropriate contact person.

Thanks,
Shannon
